

WOMEN'S STATE LEGISLATIVE COUNCIL OF UTAH

SALT LAKE CITY, UTAH

11 September 2013

By Presidential proclamation today is "Patriot Day and National Day of Service and Remembrance". As we reflect on our liberties, our freedoms, and our opportunities to serve, let us also remember those who have given the ultimate sacrifice—the victims, their families, and the heroes who stood up during one of our country's darkest moments.

As members of the **Women's State Legislative Council of Utah**, we honor and serve our nation, our state, and our communities. We serve in civic, business, and leadership positions. We represent women from varied political, religious, economic, and cultural backgrounds. And we, as a non-partisan women's organization in our 93rd year, continue to study legislation, educate our members, and facilitate legislation that is beneficial to the State of Utah. Thank You!

Our first meeting of the new biennium will be on **Wednesday, September 25th**, in the **Cooper Room** which is located in the Senate Building on the east side of the State Capital. We will be pleased to hear from Senator Luz Robles, Senator Deidre Henderson, and a representative from the Governor's Office as they discuss upcoming State Issues.

Please Note: In accommodating the Legislative schedule, we have adjusted our meeting times. The Board will meet from 10:45–11:45am, and the General Membership at **12:00pm**. We will adjourn at 2:00pm. This schedule will be used for all future meetings.
